Frontier Lodge Internship Program- Take the Next Step!

Join us in reaching youth for Jesus Christ this summer!

We want to invite you to consider taking part in our Frontier Lodge Internship Program. This program is designed to provide an opportunity for responsible teens (ages 16+) to take the next step in outdoor and spiritual leadership.

We are looking for youth and young adults who are excited about following Christ and carrying out the Frontier Lodge Mission Statement through serving at camp as an intern. During the program the interns will be given roles and responsibilities in running summer camps along side our Staff members. Interns will most often serve as Jr. Cabin Leaders. (See Jr. Cabin Leader Responsibilities below.) Depending on our camp needs we may also ask interns to fill in other support roles during their internship.

The Intern Team will be overseen by our Intern Coordinator, who will be committed to checking in with and investing personally into the lives of the interns. On the weekends the Intern Team will meet to debrief, give and receive feedback, do group devotions, and share life together. The weekends will also be an important time for rest and preparation for the week ahead.

Jr. Cabin leader Responsibilities:

- work together with the Sr. Cabin Leaders to lead a specific group of campers throughout the week
- work together with the Sr. Cabin Leader in caring for these campers and pointing them toward Christ in word and deed
- supporting Activity Leaders and Field Leaders in adventure activities
- stepping into leadership roles during evening activities
- being flexible and available to help out as directed by the Intern Coordinator or Summer Camp Coordinator
- assist in cleaning, cooking and maintenance at times
- participating openly in the Frontier Staff Community
