Spring & Summer Program Staff

Nordegg, AB - Full Time, Seasonal (Spring & Summer)

We are looking for males and females 18 years and up who desire to serve God in an adventure-based ministry. Applicants must have a desire to spread the Gospel through a variety of different methods from informal teachable moments to short morning and evening devotions with campers to lifestyle evangelism. Program staff members are involved in a variety of duties throughout the season and are a vital part of this ministry.

Key Responsibilities Include:

- Facilitating a group of participants out in the field while working alongside other program staff
- Leading a cabin of participants during summer camp
- Further developing skills in outdoor activities as appropriate (training provided)
- Working with groups in the evening activities such as wide games & campfire times
- Assisting with cleaning and helping in the kitchen
- Participating in the day to day maintenance of our facilities
- Any other duties assigned by the management
- Modeling environmental responsibility and a "Leave No Trace" mentality in the backcountry

Other Requirements:

- Current "Standard First Aid" (16hr) and "CPR-C" training
- Clean criminal reference check (vulnerable sector)
- Attendance at Staff Training in the Spring and/or Summer
- Wilderness First Aid and/or Class 4 commercial driver's license are a major asset, however not required

This is a voluntary position; compensation for this role includes food and accommodations provided on-site. Raising financial support could be an option for this staff member.

A required staff training and orientation is provided at the beginning of our intake periods: the last weeks of April or June. Application deadlines are March 31st, 2017 for Spring Staff and May 31st, 2017 for Summer staff.
